Bucks County Reading Olympics

Dear Parent/Guardian;

Your child has expressed an interest in joining our school's Reading Olympics Team. The members of this team will share the responsibility for reading forty-five books from a selected list and compete as a team against other middle schools in Bucks County. The competition is scheduled for **Thursday April 5th, 2018 at Snyder Middle School**.

Students will be required to read a minimum of five books from the list. Each team will compete in three rounds of twenty questions about the books read. It is important to consider one's ability to meet this minimum requirement before making a commitment to join the team. Dropping out at midpoint or later has a definite effect on the team's ability to compete.

Most of the preparation required for this event will consist of individual reading of books from the list. The books will be available through our school library and the Bensalem Library. There will be bi-weekly meetings of the teams during homeroom on Wednesdays to monitor progress.

We are excited about this activity and look forward to a positive experience and lots of good reading for our students. Should you have any questions, please feel free to contact Miss Sabatini, Mrs. Spurduto, or the school librarian Mrs. Bray.

Please sign, detach, and return the permission slip below if your child will be participating.

Sincerely,

Reading Olympics Staff
